

BANFF BORROWS

CHOOSE TO REUSE

Banff is a National Park community looking to achieve a destination-coordinated approach to reusables. As a Banff visitor, be a part of the solution by choosing to reuse.

DID YOU KNOW?

Throughout the world,

1 million

single-use coffee cups are sent to the landfill **every minute**.

In Canada,

1.5 billion

disposable hot drink cups are **discarded annually**.

In Banff,

1,000+

single-use cups are thrown out each day within two blocks of Banff Avenue.

BE A PART OF THE SOLUTION.
