

## Image Requirements for Business Listings on banfflakelouise.com

To ensure your images will be displayed properly on our website, please note the following requirements:

**Orientation:** We can only use **landscape / horizontal photos**. These are images that are wider than they are tall.

**Size:** Images must be a **minimum of 2000 px wide and 1220 px tall**. Both conditions must be met! Anything larger than this is okay.

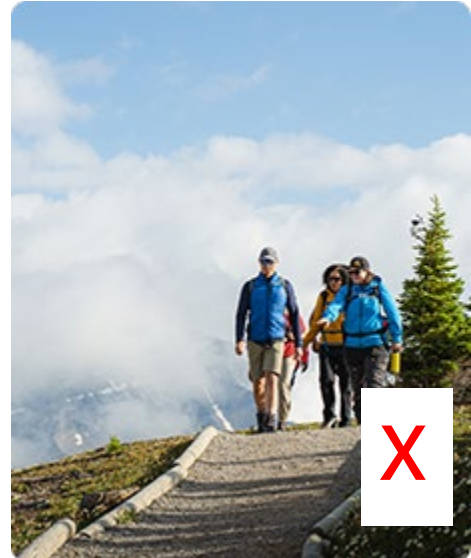

\*Images that don't meet the above criteria may not be displayed on our website.

### Examples:

Landscape / horizontal photo

Portrait / vertical photo

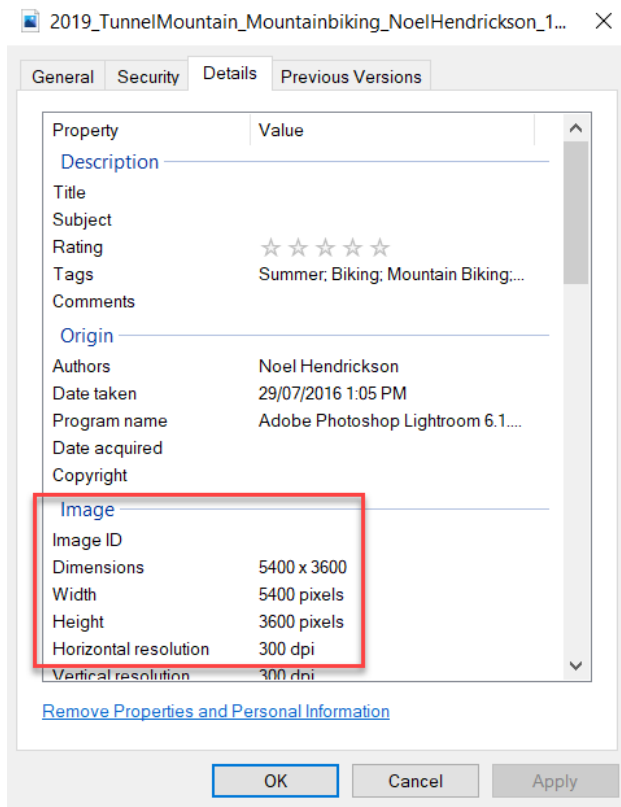

### Image Rights

Please make sure you have the right to use the photos that you chose for your business listing. If you do not fully own the images you are sharing with Banff & Lake Louise Tourism, please ensure you have a valid in-perpetuity license that allows you to distribute them with third parties. By submitting photos hereby, you acknowledge that you have the proper rights to do so.

## How to Find Your image Size

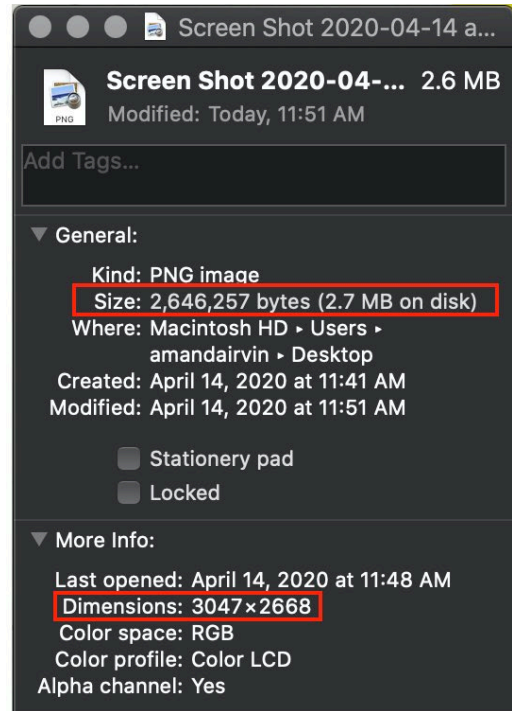

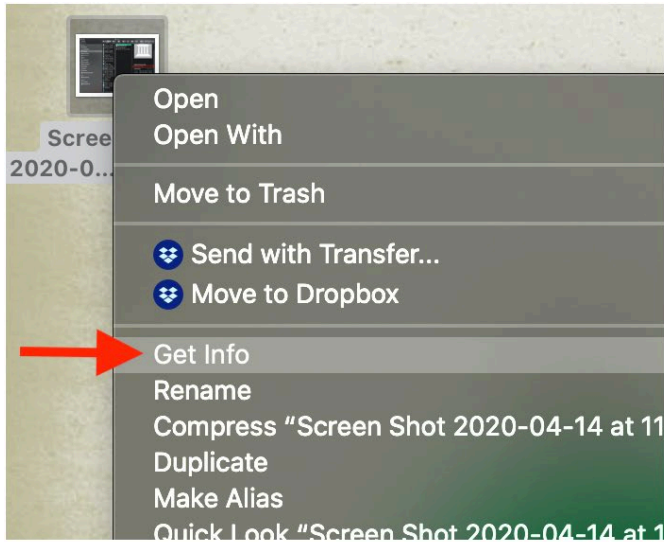

### On a PC:

Right-click on an image and choose **Properties** from the drop-down menu. A new window will appear with several tabs. Go to **Details** tab and look in the Image section.

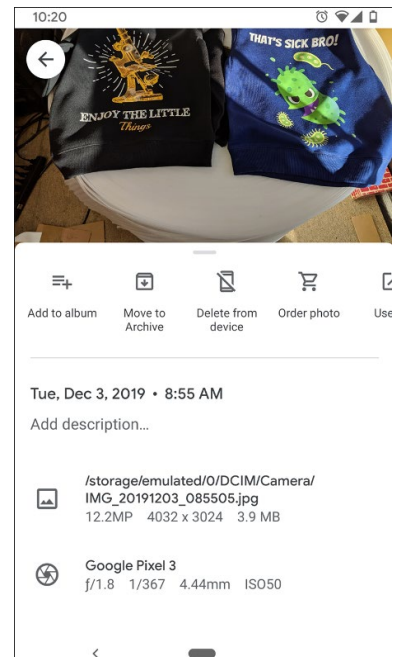

## On a Mac:

You can **right-click (double tap)** on the image file and select **Get Info** from the dropdown menu. You will see your image size here.

## On Android:

Go to photos, select your photo and click the ... in the top right. Scroll to bottom of the page to find your image size.

## On iPhone:

Find your image in the Photos app and simply swipe up to see the size of the image.
